The Monthly Magazine of the Residents Association

ISSUE 106

AUGUST 1977

As I sit here writing, gazing out of my window at the Summer rain, 'well, the garden needs it', my Wife doing the cleaning and one little boy belting my toes with his hammer, I'm thinking of the Autumn and Winter activities run by the Organisations and Clubs of the Village:- badminton, chess, drama, keep fit, brewing your own booze, Red Cross, W.E.A., etc. etc. You know there is so much going on that there is no need to sit at home on those long evenings - "Hold on" you say, it's only August - but the Autumn term starts next month. I hope like me you will be able to support at least one of the Village Organisations.

There is one Organisation which does need your support, and that is your Residents Association. Unfortunately as you have read in past editions of the News owing to family commitments, several Committee Members have had to resign. These resignations have left a hole which needs your help in filling. If you feel that you would like to help, but do not know what the job will consist of contact either Mary Ingram or Gerry Brunning and have a chat.

Please remember that the Bar Hill News is your News and that we welcome not only articles from Organisations, but also the Residents of Bar Hill. If you want to buy or sell anything remember Bar Hill News runs advertisements.

As the said little boy has now taken to belting the cat with his hammer - I had better go!

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

This year's Committee are:

PARISH COUNCIL

Full text of Minutes can be seen on the Notice Board in the Hall.

1. Playing Fields

Please do not use the School playing field for recreational activities but instead use the much larger area of the Village Green which is adjacent to the Spine Path.

2. New Parish Councillor

Mrs. Cynthia Murden of 29 Oatlands Avenue was elected by a secret ballot of Councillors, and fills the vacancy caused by Peter Wood's resignation.

3. New School Manager

Again by secret ballot, Councillors elected Mr. John Willey to the post of School Manager. (The Parish Council nominates three of the School Managers).

4. New Parish Clerk

Two applications have been received and interviews are to be held in early August.

5. Planning

The major item was an application by the Developers for phases 11B and 11C, i.e. the land between Appletrees, the path behind Foxhollow and the School Playing Field. The application, for 63 four bedroomed detached houses, was in general welcomed although a number of comments will be sent to the Planning Authority. For instance, it was agreed that a mix of house sizes/types is desirable particularly so where phase 11B meets the existing phase 11A.

Other planning items were a small extension to HH Electronic, the detailed design/plans for the Village Hall, the new siting for the Hotel flagpoles and an extension to 35 Foxhollow.

6. Bus Passes for Retired Residents

Please read the separate notice and contact Miss Moss before applying to renew the pass.
Next Meeting - August 15th at 8 p.m. at the Green Hut. Public are invited.

BAR HILL RESIDENTS' ASSOCIATION MINUTES

Minutes of the Meeting held on Monday July 4th 1977 at the School.

Minutes of the last Meeting were read and approved.

Apologies for absence were received from Mr. D. Price, Mr. Grey, Mr. J. Wood.

Resignations Mr. D. Tyler, 75 Hollytrees
Mr. A. Gowan, 27 Gladeside

Thanks were given for their work over the past months.

Matters Arising A.O.B. Items

1. Development of the Green. Parish Council have refused permission.
2. Manhole cover. Believed to be dealt with.
3. Bonfire night. Awaiting to hear from Developers.
4. Information Booklet. Will be ready for typing in a couple of weeks. Will consult the Parish Council to see if they will join their booklet with our information booklet
5. Retired Residents. We are obtaining advice. Action will be taken when all has been considered.
6. Improperly parked cars. Action is underway.

Membership Mr. Price was unable to report but it is known that there are several areas of the village which have not been covered, as Committee Members have resigned before completing areas. These areas will have to be covered in the next few weeks by the remaining Committee.

Treasurer's Report Mr. Clapinski reported on the lack of funds and it is very important to obtain the maximum amount of membership as this year we are running for 15 months instead of 12 at the same membership fee.

Parish Council Report Mr. Brunning reported on a very lengthy Meeting, lasting until the small hours. He informed the Committee on several items of interest to the Village. Permission was asked for to run a cycle race again next year. This was given. Parish Council are to take advantage of obtaining more trees for the Village. Parish Council have agreed to drain the Village Green up to a cost of £1,500. The developing of the top of the green was discussed. There seems to be a discrepancy about boundary lines.

Parish Council reported that the lack of grass cutting is due to one of the workers being disabled with a broken bone.

Bar Hill News As the production team has diminished, Terry Wingate has offered his services. The Committee are to ask the Parish Council for a duplicate key to the room where the duplicator is kept, thus cutting down on wasted time looking for the holder of the key. It has been suggested to try boxed heading in the next edition.

Fund Raising The Committee have decided to organise small ventures to raise money in the near future. The money raised will go towards off setting the cost of the news, and to extend the adventure playground.

Village Hall Complex Mr. Brunning reported that the Grant Application has been applied for, the building costing £39,000, split £50,000 from the Developers, £2,000 Playgroup, £1,500 Parish Council, and £1,500 from the village. Discussion took place about the Complex, its siting. Plans were shown and several points were cleared up.

Structure Plan Mr. Brunning apologizes for not having the petition ready. However, the Parish Council have agreed to back the petition. It is hoped to be distributed this month.

- A.O.B.
1. Complaints have been received about the lack of grass cutting being done.
 2. Complaints have been received about the state of the road outside the Fox, where it was dug up and not renewed. Also about the white lines on the Roadway.
 3. Complaints have been received about the grass not being cut under seats, around lamp posts and flower beds not being weeded.
 4. Complaints have been received about the planning application on the Village Green. As there is a discrepancy about the boundaries, we have been asked to clarify the matter.
 5. Complaints have been received about the new roundabout outside Tesco and Cambridge Consultants. We have been asked if anything can be done before a life is lost. It has been suggested that the shape be changed. Also direction arrows put in.
 6. Complaints have been received about pedestrians walking down the perimeter road two abreast. Can something be done before the winter?
 7. Complaints have been received about the wide pathway leading opposite the side of 29 Oatlands Avenue on to the Green area. Someone is taking large vans and small lorries up there. We have been asked if bollards could be put in to stop them?
 3. Complaints have been received about the state of the spine path outside the Green Hut. We have been asked if the corner there will be made up and if the manhole cover can be put back as it protrudes several inches.

W.E.A. NEWS

At the meeting held on 6th July to discuss our Autumn course, those of us among the uninitiated were agreeably surprised to discover the relevance of Social Anthropology to ourselves, our families, and our local and wider communities. Dr. Colin Murray, our young and enthusiastic Tutor, certainly created great interest in those present and, clearly, the subject lends itself very well to open discussion which is the hallmark of a good W.E.A. course. More details next month about the course which starts on Wednesday 14th September

The W.E.A. is running a short training course for anyone interested in teaching immigrants English. An orientation meeting will be held at 7.30 p.m. on Tuesday 20th September at the St. Ives Youth Centre, Broad Leas, St. Ives, and thereafter for six weeks at the same time and place. Normally, those teaching women would be required to give their services during the day, and those teaching men during the evening.

If you are interested in finding out more about the St. Ives course (for which there is no charge) and what the teaching would involve, please contact: Mrs. Carol Allen, 17 Fairfield, St. Ives: telephone 0430 65434

1ST BAR HILL SCOUT GROUP

Well the summer holidays are here once again and both the Packs and the Troop have stood down until the new term in September. Before the first meeting the Cubs will have been camping at Abington and the Scouts, we hope, at Thetford. Also during the holidays there will be things for the lads to do, including the waste paper collection, the Keep Bar Hill Tidy campaign, a cycle rally and the now famous cart rally.

Our next waste paper collection will be on Saturday 13th August and as usual we will be starting prompt at 9 a.m. so please remember to have your papers out before the van drives down your street! Thank you all once again for your support, it is this support that has enabled us to take all the boys camping this year!

With regard to the Cubs camp, if any Parents have NOT received the letter concerning the camp, please contact either Gerry Craske or Brian Medlar straight away.

Parents of Scouts can expect to hear more about this proposed camp in the not too distant future.

We are in need of more adult leaders and we hope to be able to appoint the following before the new term starts.

1. An Assistant Scout Leader to work with the Troop on Friday evenings.
2. An Assistant Cub Scout Leader to work with the Pack on Friday evenings.
3. Instructors who would be able to help out on a non-regular basis with either of the Cub Scout Packs or the Scout Troop.

If you are at all interested, or would like to find out a little more about what it all would entail, contact Kevin Read-Jones of 34 Acorn Avenue as soon as possible.

Gerry Craske.

THE 'KEEP BAR HILL TIDY' CAMPAIGN

This is going to be run by the Bar Hill Scouts and Guides and will take place during the school holidays. It is hoped that ALL children will join in with the various projects and not just those who are members of the above organisations. Parents, please bring this campaign to the notice of your children and encourage them to join in. The Campaign will be held during the week commencing the 14th August and has three distinct projects as follows:

Monday 15th August - cleaning up the Drift, that part of which is inside the Perimeter Road. Meet 10 a.m. outside the Green Hut on the edge of the Village Green.

Wednesday 17th August - cleaning up the stream, the section of which runs between the Perimeter Road at the Dry Drayton boundary and the golf course. Meet 10 a.m. outside the Green Hut on the edge of the Village Green. Wear only very old clothes for this session! Also wellington boots would be a good idea.

Saturday 20th August - cleaning up the Mall, the Spine Path between the Church and the Mall and the area in front of the Mall. Start at 2 p.m. meet outside the Church Centre. This session will carry on until tea time when, weather permitting, a picnic will be held for all helpers (so bring a cup). Also we hope to have a burn up of some of the rubbish collected on the site of the bonfire at the end of the Village Green and this is the area where the picnic will be held.

Whilst this campaign is mainly aimed at the children, it is hoped that some parents will also find time to come along and help out. Dads will be most welcome as muscle power will be required, mainly on the Wednesday.

Lost in the Mall on Jubilee Weekend (Sunday 5th June 1977)

One plastic bag containing several personal belongings, main items included black corded straight leg trousers, black wool (striped) straight skirt, red t-shirt.

Owner would appreciate part if not all items returned.
